Luminaria Ceremony ... A Ceremony of Hope

July 11, 2009 - 7:30 P.M. - Elks Unocal Event Center

(It can be a little cool so dress warm and bring blankets)

It's one of the most inspirational moments at the American Cancer Society Relay for Life. It takes place after dusk during Relay for Life. The Luminaria Ceremony offers everyone at Relay the opportunity to pay tribute to those people whose lives have been touched by cancer. It is an opportunity to help in the fight against cancer with a donation and to honor someone in your life who has faced the disease. *What is a Luminaria?* A Luminaria is a bag and a small candle that makes it glow. Each Luminaria bears the name of a person who has battled cancer. During the Luminaria Ceremony, we light all the candles. As they burn through the night they light the way for the walkers...a path of hope. Please fill out the form below to order a Luminaria for each friend, loved one or co-worker who has been touched with cancer. You can salute a cancer survivor or remember someone who has lost their battle by placing their name on the bag. Your contribution will make a difference and will help save lives! Thank you.

Please light a candle in honor of my loved one who has had cancer. I understand the proceeds will benefit the American Cancer Society in the fight against cancer.

PLEASE PRINT CLEARLY

*****You are also welcome to decorate your luminaria at the event*****
